Dear President Elect Trump and Vice-President Elect Pence:

On behalf of the Professional Managers Association (PMA) – which represents the interests of professional managers, management officials, and non-bargaining unit employees in the Internal Revenue Service (IRS) and other federal agencies – congratulations on your successful campaign.

As the majority of our members serve in management roles within the IRS, the ability of the agency to work effectively and meet its obligations is of the utmost importance to PMA. The IRS is in charge of collecting revenue for the United States and therefore is on the frontlines of deficit reduction, and PMA looks forward to working with your administration to continue that vital service.

We welcome an opportunity to meet with members of your transition team to discuss how we can contribute to your administration's goals and objectives.

Please contact our Washington Representative Nikki Cannon (ncannon@shawbransford.com; 202-463-8400) if PMA can be of further assistance to you on this or other federal employment matters.

Sincerely,

Thomas R. Burger
Executive Director
